Norplex-Micarta Appoints Financial Controller

POSTVILLE, IA – Norplex-Micarta, the leading manufacturer of high performance thermoset composites, is pleased to announce the promotion of Bonnie Lembke to the position of Financial Controller at the company's Postville, IA headquarters. Ms. Lembke has succeeded Kathy Voelzke who retired after 31 years of service with Norplex-Micarta. Ms. Lembke is now responsible for overseeing all aspects of the company's financial accounting.

As Financial Controller, Ms. Lembke will coordinate year end audits, preparation of financial statements, assure internal control compliance, oversee accounting procedures and manage the Accounts Payable and Accounts Receivable departments.

Ms. Lembke brings years of experience to the position having been with Norplex-Micarta since 1984. She was promoted from the production floor to the accounting department in 1996 and has become increasingly familiar with the company's accounting practices the past fifteen years. Ms. Lembke obtained her Bachelors of Science in Accounting from Upper Iowa University.

continued...

“Bonnie has done an outstanding job for Norplex-Micarta in her previous accounting roles making her the natural choice for the Financial Controller position,” said Denny Ford, Norplex-Micarta Vice President and General Manager. “Her knowledge and previous experience has made for an extremely smooth transition in this critical function.”

##
